INTRODUCTION

- OSL, a logistics pioneer in India

Touching New Heights Expanding New Horizons

For over 45 plus years, Orissa Stevedores Limited, one of the leading firms of India and a flagship company of the OSL Group, has been excelling in the fields of shipping, mining, logistics and exports. With our seasoned professionals, we carry out efficient cargo operations.

From bulk to break bulk, from ODC to POL, we have the expertise in handling all types of cargo. Our strong presence in all of east coast ports of India makes us strive for nothing but the best, head and shoulders above the rest.

At OSL, customised solutions are developed to offer innovative handling methods and meticulous cargo care as per the requirement of our principals.

 ORISSA STEVEDORES LIMITED

OSL Central Office, Cuttack

OSL's Beginning

Beginning its journey with stevedoring in 1978, we have grown into a diversified business conglomerate under the visionary leadership of our Honourable Founder, **Shri Mahimananda Mishra**.

With a workforce of over 10,000 professionals, we operate multiple business verticals, catering to a broad spectrum of regional and global clients.

With more than 45 years of experience in stevedoring, end to end logistics solutions & ship owning, we have also developed core competencies in mine development and operations, overburden removal, open-pit surface mining, ore transportation and in-plant operations .

We have forayed into the hospitality sector through the Empires Group of Hotels and we have also entered into a franchise with DPS Society to operate two non-profit schools within the state of Odisha. We operate an extensive network of automobile dealerships across Eastern India and serve as the most trusted dealer for BMW, BMW Motorrad, MINI, Volkswagen, TATA passenger cars and Hyundai. We are also the exclusive retailer of two Italian luxury fashion brands Corneliani & Camicissima Milano in India. Since entering into Oil & Gas sector in 2019, we have consistently delivered outstanding performance through our end-to-end bunker supply services, with a strong emphasis on safety and efficiency. We also offer storage and terminalling services of POL at our Tank Farm facility in Paradip.

Stevedoring Operation at Paradip Port

OSL's Development

Since its inception, we at OSL Group have strived to create value for clients, customers, stakeholders and the society at large. During the last four and a half decade of our operations, we have set several records, creating benchmarks in the industries we operate in. We have always stood strong on our core values of providing the best service, innovation, teamwork and accountability.

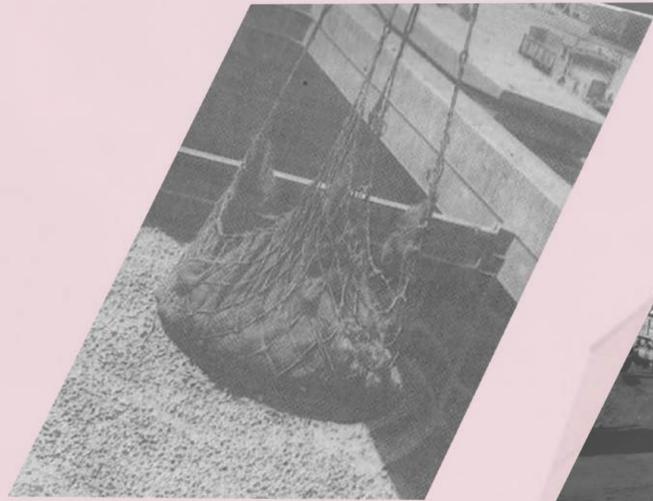

Our journey of over four and a half decade began as a harbinger and front-runner of change in 1978 with the dream of our Honourable Founder, **Shri Mahimananda Mishra.**, which gave birth to **Orissa Stevedores Limited.** We started as the trailblazer in the field of stevedoring and handled the first vessel carrying chrome ore at Paradip Port. Since then, we have emerged as a leading maritime management company providing comprehensive door-to-door solutions with strong presence at all ports along the East Coast of India. Our passion for excellence and operational efficiency has made us the preferred logistics partners for principals and workers alike.

OSL's Evolution

Beginning its journey in 1978, OSL steadily grew in strength and by the 1990's it had diversified its operations, marking its entry into Odisha's mining sector at Talcher. Over the years, we have become the leader in mining operations serving multiple companies, pan-India. In 2003, we also created a benchmark in Odisha's education sector with the establishment of Delhi Public School Kalinga for quality education. Our entry into the hospitality sector was in the late 90's with the first Hotel at Bhubaneswar. The vertical has now expanded to premium hotels at Bhubaneswar, Paradip, Puri, Joda, Gopalpur and had got outstation properties at Neemrana, Rajasthan (under the Marriot brand) and a wellness resort in Kerela .

We forayed into automobile dealerships in 2003 and later entered the high-end luxury fashion segment in India with Italian menswear brand, Corneliani in 2012 & Camicissima Milano in 2025. Our strategic diversification continued and in 2019, we ventured into the Oil and Gas industry, and with a passionate team driving us forward, OSL continues to expand its value across various global markets, scaling new heights & impact each day. The passion for operational excellence and creating value for our stakeholders and society has helped us expand our horizons and emerge as a premier business group .

Our
Legacy
Over the
Years

Estd.
1978

Armed with a vision to bring about change and explore uncharted territories, our Honourable Founder, Shri Mahimananda Mishra started OSL in 1978. With consistent hard work driven by will power and determination, we have created a legacy of delivering outstanding performance with razor-sharp precision. Having worked extensively at all ports on the eastern coast of India, we have garnered the trust and appreciation of all our principals. Since our inception, OSL has been breaking old records only to create new ones over the last four and a half decades.

Our integrated logistics house provides 360-degree solutions while on a continuous quest for excellence, handling the highest amount of cargo, year after year as a stevedore. This dedication along with the strong leadership at OSL has been instrumental in transforming an unorganised segment into an organised & fast-progressing industry. The values introduced by Shri Mahimananda Mishra still prevail and have helped the sector along with its stakeholders, grow exponentially over the years. Our goal is to support and maintain this growth trajectory.

Port Related Services

Stevedoring

Our services have rendered optimum performance with clock-like precision facilitated by our state-of-the-art cargo handling equipment. OSL's strong and professional workforce achieves targets with a relentless dedication.

Inland Water Transport

Our innovative waterways transportation facilities ensure safe and timely movement of goods. In an attempt to reduce the carbon footprint, we have embraced the paradigm shift from road to waterways transportation. Our initiatives led to the restoration of Mahanadi waterways after almost a century in Odisha.

Project Cargo Handling

We handle large and heavy equipment that requires precise and detailed attention. From initial strategy to final delivery, our expert team ensures safe handling, smooth execution and on-time completion.

Intraport Transportation

We manage and execute the transshipment of cargo and goods while matching and surpassing industry standards.

Chartering of Bulk Carriers & Heavylifts

OSL has been proactive and efficient in chartering activities of multifarious cargo for more than a decade ranging from break bulk to bulk shipments & POL.

Clearing & Forwarding

We provide seamless clearing and forwarding services. Our facilities include e-filing of import and export documents, status of query reply, and real-time summary tracking executed with a keen attention to detail.

Steamer Agency

We are one of the leading steamer agents in eastern India, offering a comprehensive range of high-quality marine services with maximum efficacy and responsibility, supporting the ever-growing maritime industry.

Warehousing

We offer unique solutions that simplify overall logistics flow. Our warehousing services allow for safe cargo storage, facilitating timely delivery and optimised distribution.

Owning, Technical & Commercial Operation of Marine Crafts.

OSL Group operates a diverse fleet including tankers, tugs, barges, patrol boats, supply vessels, floating cranes and pontoons across East Coast ports of India, supporting towing, bunkering, cargo lighterage, and port security with strong techno-commercial expertise ensuring safety, efficiency and reliability in all marine operations.

Oil & Gas Services

We are actively engaged in bunker supply through our dedicated fleet of vessels operating at Paradip and other key ports. Our reliable and timely bunker delivery ensures smooth bunkering operations for a wide range of vessels. We also operate a well-equipped tank-farm at Paradip for the storage of POL, supporting efficient handling and distribution.

Floating Crane Lighterage Solutions

We offer a fleet of floating cranes and ancillary equipment tailored for efficient lighterage operations at both ports and anchorage points. Our solutions are designed to facilitate the offloading of cargo from vessels with higher drafts, enabling quicker port entry and optimizing port infrastructure usage. With an integrated setup, we ensure seamless cargo transfer.

Container Handling

We provide a one-stop solution for all container handling and storage requirements, backed by advanced equipment and robust capabilities. Our skilled professionals work with the latest technologies to ensure safe and efficient operations.

Freight Forwarding

We provide strategic planning and coordination for the movement of commodities across international borders on behalf of shippers. Our expertise and experience ensure smooth and efficient sailing operations.

Container Freight Station

OSL Group has developed its first Container Freight Station (CFS) at Paradip to enhance cargo handling efficiency and strengthen its integrated logistics infrastructure across Odisha and neighboring states. Serving a vast hinterland and scalable up to 85,000 TEUs, the facility aligns with India's "Look East" policy and rising trade demands.

Ship Building, Ship Repair & Ship Recycling

OSL Group is developing a modern integrated Ship Building, Ship Repair and Ship Recycling facility at Paradip. Currently we are conducting dry docking of vessels at Paradip using balloon technology. While using this technology, we are adhering to the statutory and industry standards safety norms.

End to End Logistic Solutions

OSL group offers 360-degree logistic solutions to all our clients and ensure optimum services along with the stipulated formalities. Our wide spectrum of solutions deliver end-to-end shipping fulfillment, along with last-mile delivery. This commitment to excellence is reflected in OSL's status as the number one port handling operator in India by volume & consistency.

 ORISSA STEVEDORES LIMITED

OSL's
Business
Verticals

Automobile Dealerships

OSL Group is a leading force in eastern India's automobile retail sector, proudly serving as the top-ranking Hyundai and Volkswagen dealer in the region. Ensuring access to the most sought-after automotive brands, OSL is also the authorized dealer for BMW, MINI and TATA Passenger Cars across Odisha and West Bengal bringing premium mobility solutions to the Eastern corridor.

Mining

What began as a fledgling venture in 1978 expanded into mining in 1990, marking the start of a remarkable journey. Our expertise spans mine development and operations, overburden removal, open-cast surface mining and ore transportation. By combining advanced technologies with a highly skilled workforce, we ensure operational efficiency, safety and consistent excellence in every project we undertake.

Hospitality

Committed to bringing world-class hospitality to Odisha and beyond, OSL Group stepped into the hospitality sector with the launch of its first luxury hotel in Bhubaneswar in the late 90's. Over the years, we have grown into a distinguished chain of luxury hotels with properties in Bhubaneswar, Puri, Paradip, Gopalpur and Joda. Expanding our footprint beyond the state, OSL Group is now set to welcome guests at two upcoming destinations at Neemrana in Rajasthan and Trivandrum in Kerala.

Education

With a vision to make world-class learning accessible in Odisha, we joined hands with the Delhi Public School Society to establish premier, non-profit institutions in the state. We established DPS Kalinga in 2003 and since then it has stood as a beacon of academic excellence, shaping bright futures and enriching thousands of young lives each year. Building on this legacy, we are now exploring new locations for expanding and continuing our mission to inspire, educate and empower the next generation.

In-Plant Operations

OSL Group manages in-plant operations for leading companies like IOCL, PPL, Vedanta, and IFFCO, with deep expertise in the operation and management of rake loading systems, conveyors, reclaimers, and bagging plants. With a 360° capability in plant operation and maintenance, OSL also provides skilled manpower solutions tailored to industrial needs. Having demonstrated proven success across Odisha, we are now expanding our efficient and safety-driven services to industries across India.

Owning of Port & Terminals

OSL Group co-owns Gopalpur Port Limited in partnership with Adani Ports and Special Economic Zone (APSEZ). We have successfully ventured into terminal ownership and development by taking up the West Quay 6 berth of Visakhapatnam Port for 30 years in a DBFOT mode. We operate the berth through our wholly owned subsidiary, Integrated Cargo Terminal Private Limited (ICTPL). We are also actively exploring additional opportunities in port and terminal development across the region.

Private Freight Terminal

Under the Govt. of India's Gatishakti GCT policy, OSL has developed railway sidings for bulk and clean cargo at Dhanmandal and Jarpada, plus a goods shed at Sunakhani. With proposed expansion at Doikallu, we continue to strengthen regional logistics with efficient, future-ready rail connectivity.

Free Trade Warehousing Zone

We provide efficient free trade warehousing zones and related activities and are positioned as an one-stop solution for aggregation, (de)-consolidation, multimodal transport, custom related procedures, and quick dispatch of containers. As a licensed multimodal transport operator, we seamlessly coordinate cargo movement across sea, rail & roads ensuring speed, compliance, and end-to-end logistics efficiency tailored to our client's needs.

Luxury Merchandise Retail

OSL pioneered luxury fashion in India by launching the Italian brand Corneliani in 2012. And in 2025, we proudly added Camicissima Milano to our portfolio. Looking ahead, we aim to introduce more high-end global luxury brands to the Indian market.

Tank Farm

OSL Group is developing a state-of-the-art greenfield Tank Farm designed for the storage of white POL products such as HSD (High-Speed Diesel) and MS (Motor Spirit), with provisions for ethanol blending. Strategically linked to the North Oil Jetty through dedicated pipelines, the facility enables a seamless and safe transfer process. The Tank Farm will provide private oil companies with a highly efficient alternative to state-run terminals, ensuring faster turnaround and enhanced operational reliability. The facility will be operated by Paradip Tanking Private Limited (PTPL), a sister concern of the OSL Group.
